Next steps

Success stories

“I can confidently say that completing an apprenticeship has been the backbone of my success and entry into further study. Full time employment and hard work enabled me to purchase my first home as a 3rd year apprentice”

- Martin D

“The only agency out of many I approached where my very first interview landed me a permanent job.”

- Shivani R

1300 apprentice

“I successfully completed my Business CIII traineeship and have rolled over to my Business Certificate IV.”

- Sophia P

“It has taught me skills and knowledge that can be useful throughout my life and any career I choose to pursue. The traineeship has allowed me to explore my capabilities specifically in the administration industry. I am happy at where I am today which would not be possible if I had not completed my traineeship.”

- Michelle F

“I have gained so much understanding in my new career path, although there were bumps along the way, it was so worth it. I was given the opportunity to take on a traineeship with the Council and at the end of it was offered a full time position with them.”

- Fatima B

“Completing my trade with 1300 apprentice and Carrier has allowed me to travel the world. I transferred to London and I am now based in the Netherlands where I travel Europe and Asia repairing chillers”

- Lyle M

“Completing my business traineeship changed my life. The ability to study and work at the same time is so valuable and I’ve learnt many skills which have improved myself as a human being.

- Simon C

“During my traineeship I was able to learn, mature, adapt, travel, and teach. These traineeships have led me to gain fulltime permanent work.”

- Tahlia A

Qualification

- Cert IV Polymer Technology (PMB40116)
- 4 year apprenticeship
- Delivered at Lidcombe TAFE by Stephen Dawkins
