ROUND 2 CONSULTATION ANNOUNCEMENT

Skills for the Polymer Industry Project

Round 2 Public Consultation is now open for the [Skills for the Polymer Industry Project](#).

All components in the PMB Plastics, Rubber and Cablemaking Training Package are under review:

- Qualifications have been reconfigured with changes to core units and the inclusion of specialisations to improve alignment with industry skill needs and job roles. The Advanced Diploma of Polymer Technology has been marked for deletion as industry have identified there is no vocational outcome at this level.
- Units of competency have been revised to better reflect industry requirements, pre-requisites updated and some units proposed for deletion as they are no longer supported by industry.
